## No liquor license for Pizza Hut

The owner of a Pizza Hut franchise wants to build a restaurant at 442 Orchard St. in Antioch, just west of the new McDonald's restaurant.

However, attorneys for the Pizza Hut are seeking a liquor license and Antioch officials are saying no.

Mayor Michael J. Haley asked the board of trustees Monday for permission to have village attorneys answer the Pizza Hut's letter with the message that Antioch isn't going to consider an amendment to its liquor ordinance at this time.

Trustee Don Amundsen made the motion, saying "we aren't at this time expanding the number of liquor licenses in the village." The motion received unanimous approval from the board.

IN OTHER ACTION at Monday night's board meeting, the board accepted the only bid on a 1977 Chevrolet Impala to be used as a new police squad car.

The bid came from Teresi Chevrolet & Oldsmobile and was \$4,580, plus the trade-in on a 1974 Chevrolet Sedan. Two new police officers were hired by the board. Officer

## 32 trophies await young tennis players

This Saturday, July 16, is the deadline for entering the Youth Singles Tennis tournament being sponsored by the State Bank of Antioch.

The event will be held Friday, Saturday and Sunday, July 22, 23 and 24, at the high school and "Doc" Jensen Park courts.

Pres Reckers, vice-president of the bank and coordinator of the three-day event, said response has been excellent with more than 60 youngsters already signed up as of Tuesday morning.

The field is expected to continue to grow as the usual late rush of entries pours in just before the deadline.

THE TOURNAMENT IS FOR children and teens from 8 through 17 years of age.

Youngsters and teens from Antioch township and the immediate surrounding area may sign up to compete in this singles-only tournament by obtaining an entry blank from the State Bank. Completed applications must be submitted in person to Mr. Reckers prior to the July 16 deadline.

Boys and girls will compete in separate divisions, in age groups 8 through 10, 11 through 13, 14 and 15, 16 and 17. A total of 32 trophies will be presented in the boys and girls divisions, for first, second and third and fourth place in each age group.

ALL PARTICIPANTS WILL RECEIVE complimentary T-shirts and tennis towels from the State Bank of Antioch. Tennis balls also will be provided by the bank.

Matches will be played at both the high school and Jensen park courts. Beginning Thursday, July 21, draw sheets will be posted in the State Bank lobby for those who may be interested in pairings as they are scheduled for the tournament.

The finals on Sunday, July 24, will be at Jensen Park. Assisting Reckers in the coordination of the tournament will be Mrs. Sue Koppa, parks and recreation director for the village of Antioch, and Ron Halpern, tennis instructor of the village's summer recreation program.

## Antioch Open meet set

By JERRY PFARR

The second annual Antioch Open men's golf championship will be played on two Sundays in September this year.

The dates are Sept. 11 and 18 and the site will be Spring Valley Country Club just north of Antioch in Salem, Wis.

Sunday, Sept. 25, will be a rain date in case the tournament has to be postponed on either Sept. 11 or 18.

The tournament is being sponsored by the Antioch News and the deadline for entries will be Friday, Sept. 2.

THE GREAT SONGS from the musical "My Fair Lady" were sung on the stage at Antioch's annual Art Fair Sunday. Entertaining the crowd with skits such as "The Rain in Spain" (above) were, from left, Ken Smouse as Col. Pickering, Mary Chris LaKome as Eliza Doolittle and Bill Misik as Prof. Higgins. "My Fair Lady" opens in Antioch July 29.

## Antioch tax money to RTA questioned

Many television viewers in the entire Chicago area got a neat look at Antioch last week.

They also heard about this community's displeasure with the Regional Transportation Authority (RTA).

Channel 7 sent out a crew to make a film which included Antioch's cute little red, white and blue depot, with its sign:

"Waitin' for the RTA."

The cameramen also panned the east side of Main St. in the downtown area and focused on a couple of local gas stations.

A TELEVISION REPORTER sat on a bench near the depot and chatted with Mayor Michael J. Haley, who had some things to say about the RTA.

Haley said he learned that Antioch's 10 service stations pumped about 366,000 gallons of gasoline during the month of June.

## Grade school meeting

A special meeting was held Tuesday night by the Antioch Grade School board of education.

The meeting was scheduled to approve the bills and payroll for June, and to hold a "budget workshop."

## Happenings

There will be a special meeting of the board of education of Antioch High School, District 117, on Thursday at 7:30 p.m., in the board room.

"The purpose of the meeting is to review the items pertaining to the life and safety survey and personnel, said Robert M. Lindblad, president.

Laura Swanson, VFW poppy chairman, is thanking members of the VFW Post and its auxiliary for their hard work in selling poppies.

"A very special thanks to the people who donated so wonderfully," Laura said. "It enables us to do so much for the Veterans in various hospitals."

DISPLAYING THEIR CERAMICS at Sunday's Antioch Art Fair were Jeannine and Joe Leonhart of Oakwood Knolls. They were several of the Antioch artists who rented space, along with arts, crafts and antique enthusiasts from communities throughout the area. Below, Michelle Kawa of Mundelein shows her paintings to an Antioch couple.

## Attend church conference

Rev. and Mrs. Bernard C. Fosmark and Mr. and Mrs. Carl Reichenbach of Antioch have returned home after attending the 93rd annual conference of the Evangelical Free Church of America, held at Colorado State University.

They were among 1,700 delegates and family members

from 39 states, seven Canadian provinces, and eight overseas nations. They were attending as delegates of the Antioch Evangelical Free Church.

"The Evangelical Free Church, which has some 660 churches in the United States and Canada, took strong stands in opposition to abortion and the moral laxity prevalent in North America," Rev. Fosmark said. "In the light of the million divorces per year in the United States, the Biblical ideal of marriage as 'an indissoluble relationship' was affirmed in a conference resolution."

Rev. Fosmark was re-elected secretary of the board of Trinity Evangelical Divinity School, Deerfield.

## Owner says McDonald's attracted 4,100 here

By JON WASHINGTON

A turnout estimated by the owner of 4,100 persons helped welcome the new McDonald's restaurant at 428 Orchard, in Antioch, according to Alexander Karis, who operates the just-completed facility.

"We owe everybody a vote of thanks," said Karis. "It was a tremendous reception — and something to live up to in the months and years ahead. We feel as if we are already well on our way to becoming part of this community."

"Families crowded the quick-service windows to sample the hamburger that has changed America's eating-out habits," Karis said.

The new McDonald's here is one of the latest in the international chain founded in 1955. There are now McDonald's restaurants in all 50 states, Canada and overseas.

# YOUTH SINGLES TENNIS TOURNAMENT

July 22, 23 AND 24

Youngsters and teens age 8 through 17 from Antioch Township and the immediate surrounding area are invited to compete, in separate divisions for boys and girls, in the following age brackets:

- 8-through 10
- 11 through 13
- 14 and 15
- 16 and 17

## ★ 32 TROPHIES ★

A total of 32 trophies will be awarded in the boys and girls divisions, for first, second, third and fourth place in each age group.

In addition, complimentary T-shirts and tennis towels will be given by the State Bank of Antioch to all participants.

Entry blanks MUST be obtained from the State Bank of Antioch. Completed entry blanks must be submitted, in person, to Preston J. Reckers at the State Bank NO LATER THAN JULY 16th.

## RTA questioned

Continued from page 1

Including the RTA's latest gas tax increase, Haley estimated that Antioch is being taxed about \$110,000 a year by the authority.

"Yet, I don't believe the RTA knows we exist," said Haley. "There is nothing in its plans that indicates Antioch is going to benefit from the RTA."

"WE DON'T PARTICULARLY NEED a bus to go to Chicago," the mayor continued. "We do need a bus that connects Antioch with Channel Lake, Grass Lake and Loon Lake every day."

"We have given them input, but I still don't think they know what we need," Haley added. "I have instructed our village attorneys to look for a legal avenue to force the RTA to give us some needed local services."

The RTA covers a six-county region. One of its directors, Richard Newland of Waukegan, said:

"THE SUBURBAN BOARD MEMBERS have done everything they could to avoid the imposition of a tax on a regionwide basis.

"Unfortunately, five of our colleagues from the city of Chicago have come to the decision that the gasoline sales tax should be imposed, as well as one of our suburban colleagues. We cannot agree with the terms under which this agreement was reached, and therefore cannot support it."

## The Town Crier

The dunk tank was one of the popular attractions Sunday when the Chamber of Commerce presented its annual Art Fair and All-American Festival.

Some estimated the 5th annual event drew its biggest crowd ever to Antioch.

Getting back to the dunk tank, such village officials as trustee Don Amundsen climbed in. So who pitches the baseball that knocks him into the water? Don's 12-year-old son, Carl, one of the star pitchers of Antioch's Little League.

Mayor Mike Haley, besides his splendid performance in the dunk tank, did a fine job as master of ceremonies, and much credit goes to Christine Pionke and Pres Reckers who were among those who made preliminary arrangements and then worked from 6 a.m. till 9 p.m. on Sunday to make sure everything ran smoothly.

FOR A MOMENT last week, postal clerk Jean Irving thought she was getting a car delivered special delivery, right through the window of the Antioch post office.

The car went out of control, jumped the curb, crossed the sidewalk and Jean saw it come onto the post office lawn and toward her big window.

"Sarge!" she shouted, as if "Sarge" McBride, working in the backroom, could have done anything about it. Luckily, the car only tore up the lawn and crunched down an army recruiting poster.

Never a dull moment in Antioch, right, Jean?

## Antioch Open

Continued from page 1

THE ENTRY FEE is only \$15 for 36 holes of tournament golf. Players can either walk or ride golf carts. Entry blanks will be available next week.

The tournament, the first of its kind for this area, was held last year at Antioch Country Club.

There are three flights - championship, for players who shoot in the 70s; Class A, for those who score in the 80s, and Class B, for those who shoot 90 and over.

All contestants will be playing from scratch against golfers of their own ability.

THE WINNER of the championship flight last year was John Roach of Antioch. Rich Higgins placed second after winning a playoff against Andy Anderson, Mark Guthrie and Cliff Houghton.

Charlie Anderson won the Class A flight after tying with Vern Thelen. Anderson won the playoff.

The Class B winner was Bill Effinger of Lake Villa, who defeated Bill Nauman of Antioch in a playoff. Mike Sexton was third and John O'Hara fourth. Since all four averaged in the 80s during last year's 36 holes, they will move up to the Class A flight if they enter this year's tournament.

LAST YEAR'S tournament was limited to golfers from the townships of Lake Villa and Antioch. This year it also will be open to golfers who live or work in Salem township. Golfers must be at least 16 years of age.

Players will begin teeing off at 11 a.m. on Sept. 11 and at 1 p.m. on Sept. 18.

The top three finishers in each class will receive trophies. Prizes also will be given. All proceeds will be returned to players in the form of prizes.

### You, too, can interpret real estate ads

By JERRY PFARR

This is the season when real estate ads are among the best read sections of a newspaper. And the reader searching for a home soon realizes that the real estate man has a language all his own.

After reading an ad that sounds like their dream home, a couple drives out into suburbia, hoping to get there before the wonderful bargain is snapped up by someone else, only to discover that the home in the ad and the home in reality have little in common. And the place costs twice as much as they can afford.

"WHY CAN'T REAL ESTATE ads always include the price?" a weary house hunter asked.

"Hmmm, that's a good question," said a real estate man. "But, you see, the only way we can help you is by talking to you in person. If we keep the price out of the ad, you may call us and give us a chance to serve you."

"Thanks a lot."

IT ISN'T TRUE THAT real estate men attend a special school where they learn such happy terms as bright, cheery kitchen, storybook colonial, charm filled ranch, luxuriously carpeted and gracious family living.

Just by reading the ads you, too, can master such alluring phrases as luxury in Lake Zurich, brighten your life in Bristol, lovely Lake Villa plus low, low taxes, and Antioch elegance.

And by driving out and inspecting some of the homes, you may discover:

That a "dollhouse" usually isn't big enough for people. That a "stepsaving kitchen" is often one that is too

small to eat in.

That a "handyman's special" probably will need a miracle man, too.

"Exterior recently redecorated" often means that a coat of paint was slapped on to help peddle the place.

Homes priced in the "high forties" are usually \$49,950, the "midforties" are \$47,000 and the "low forties" are \$44,000.

"Reduced for quick sale" could be another way of saying, "it was so overpriced in the first place that we've finally decided to ask only what it's worth."

HOWEVER, AS EVERYONE KNOWS, most real estate men don't exaggerate at all.

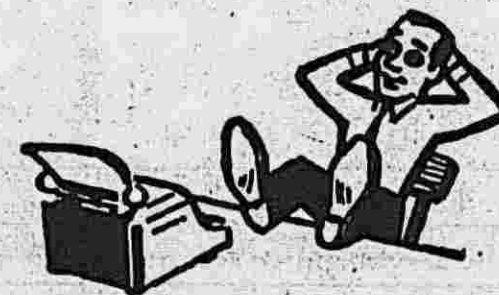

Some offices show delightful veracity and still get their point across with such refreshing lines as "ridiculously big kitchen" or "this place is falling apart but the price is cheap."

Another refreshing ad said, "No water in the basement. No basement."

But most real estate ads, naturally, stress the good qualities of a home - its solid construction, convenient floor plan, lovely setting and many charming features.

One couple solved their house hunting problem by having a real estate man compose an ad about their present home.

It sounded so good, they decided to stay.

# State Bank's assets are up \$7.7 million in last year

The total assets of the State Bank of Antioch topped \$72 million in the past year.

William E. Brook, president of the bank, said total assets as of June 30, 1977, were \$72,001,185.16.

That is \$7,693,915 higher than they were on June 30 of 1976.

"Deposits increased by \$6,322,627 in the same 12 months," Mr. Brook said. "Also, earnings per share for the first six months of 1977 were \$2.87 as opposed to \$1.66 for the same period in 1976."

MR. BROOK CREDITED the bank's impressive gain to the fact that Antioch is becoming an increasingly urbanized community.

"We certainly are having an influx of population," he said, "and we are changing from what was once primarily a farming and resort community."

Mr. Brook pointed to an increase in new home construction, commercial establishments, industry, and improvement of existing dwellings.

IN MANY OF ANTIOCH TOWNSHIP'S subdivisions, what formerly were summer cottages have gradually been turned into year-round homes by their owners. Thus, the subdivisions are becoming year-round communities rather than a collection of seasonal dwellings, he said.

"Antioch has been fortunate in the way it has developed," Mr. Brook noted. "The planning has been excellent. I think we're going to have a showcase community because the village quickly 'got a handle' on its development."

The president of the State Bank said he thinks the future

WILLIAM E. BROOK

looks tremendously bright for Antioch.

ONE REASON HE CITED was the emphasis on improvement of the Chain of Lakes and the Fox River.

"I think what happens to that 'Chain' will help determine what happens to this community," he said. "Making the 'Chain' more desirable and increasing its usage will have both an economical and aesthetic impact on the Antioch community."

## Mental Health group aids Allendale scouts

Getting back on its feet with the relocation of its resale shop, the Antioch Mental Health Association has, for the second year, given a check to send six boys from Lake Villa's Allendale School to summer camp.

The six boys represent the membership of Allendale's Boy Scout Troop No. 82 which, under the leadership of Scoutmaster Terry Larson, has been active in district and council activities.

THE CAMP IN ANTIGO, Wis., is an ideal location, away from the hustle and bustle of the big city, for boys to learn new skills, communicate with Mother Nature and relate to new friends and study under qualified leaders.

Scoutmaster Larson said "Without the support of the Mental Health Association our boys would not be able to finance the entire camping trip."

"Our boys do work projects at Allendale to earn pocket money and privileges. They are, therefore, capable of paying part of the cost of camp. Last year the boys from Allendale earned several awards, merit badges, and friends."

50 YEARS AGO: JULY 14, 1927

Preliminary work was begun this week on the project to restore the old Fox Lake dam and build a new one somewhere between Johnsbury and Pistakee Lake. The old dam has been in bad condition for a long time and the lower lakes this year have had lower water levels than ever before.

Ralph Barnett, Chicago labor agent and gunman is dead, and Stanley Thompson, Antioch Constable, is in the Victory Memorial Hospital at Waukegan recovering from wounds, as the result of a gun duel fought Sunday evening between the two men at Channel Lake.

Barnett, who was with a party consisting of two other men and a woman, had drawn up in front of the Slide Inn at Channel Lake and had attracted attention by throwing the woman out of the car.

The corner stone was laid last week for the Elizabeth Condeil Memorial Hospital now under construction at Libertyville.

20 YEARS AGO: JULY 11, 1957

Contracts were let yesterday on the construction of the new 16-room school building for Grade School District 34 at Loon Lake and Deep Lake Roads.

Gayle Augsburg, Mel Cermak, Jerry Awe, Harry Jesse and James Horton sent word to relatives that they arrived safely aboard a DC-6 at Washington D.C., and were staying at the Colonial Hotel during their sight-seeing before going into the Boy Scout National Jamboree at Valley Forge today. They went to the White House Tuesday, and to the U.S. Naval Academy Wednesday.

## CLC News

By LU BALOUN

James Thurber's play, "The 13 Clocks," will be presented free of charge by the College of Lake County Theatre group on July 14, 15, 19 and 20 at 7:30 p.m. in building five.

CLC's theatre group, formed in 1967, presents two or three major productions every year.

"The performances act as workshops for the students in our theatre classes," Frank Harnish, CLC's theatre instructor, said.

The unusual roles in "The 13 Clocks" include a disguised prince, who wanders in far lands to slay dragons and rescue fair maidens; a cold, cruel duke, who is guardian to the Princess Saralinda; an incompetent wizard, and an array of horrible monsters.

Because of limited seating (150 to 175), adults and children are encouraged to arrive early. Blocks of 15 or more seats can be reserved by calling 223-6601, Ext. 377.

Members of the cast will also perform "The 13 Clocks" on the King's Stage at the Renaissance Faire near Bristol, Wis., during the weekend of July 16 and 17.

THE STAFF AT Mr. Marvin's Hairstyling celebrated its grand opening last week at 893 Main St. Above, Loretta, the manager, poses with another member of the staff, Paula Estes (seated). Mr. Marvin's formerly was Irene's Flair Coiffures. Appointments can be made by calling 395-4219.

## Lions' picnic, auction is set for Aug. 7

The annual Farmers Picnic, Chicken Barbeque and Auction will be held by the Antioch Lions Club on Sunday, Aug. 7.

The event is scheduled for the area of the Aqua Center in Williams Park.

Proceeds of the annual auction again will be given to the Antioch Rescue Squad.

THIS YEAR THE RESCUE SQUAD is cancelling its golf tournament and dinner, normally held in September, and concentrating its fund-raising efforts on the auction.

Jim Fields, captain of the rescue squad, said profits from the tournament have been minimal in recent years and rising costs would also result in raising the price of the golf event's tickets.

Rather than do this, Fields said, businessmen and others who contributed to the golf outing will be asked to contribute to the Aug. 7 auction.

"The Lions Club auction has been a major fund-raising benefit for the rescue squad. Squad members feel that their efforts would be better spent in concentrating on that project," Fields said.

In addition to antiques, the auction will feature items that everyone will be interested in. Plans are to start the auction during the noon hour instead of 1:30 or 2 p.m.

Donations can be made by phoning the village hall at 395-1000. The Lions don't want used appliances, used furniture or such things that don't sell.

They are hoping, however, that members of the community will contribute items that are really saleable.

Village attorney Andrew Lynch was authorized to take whatever action is necessary.

A group of teenagers from the high school were hired by the village as summer helpers to work on streets and in the recreation program.

Two bids were received for the Anita St. paving project. Trustees accepted the low bid of \$45,865 from the Skokie Valley Asphalt Co. of DesPlaines.

Kevin P. Kelly was appointed a probationary firefighter with the Antioch fire department, at the request of Chief Charles Maplethorpe.

**KEN WIERSCHEM**, CHAIRMAN of the village planning commission, said unknown developers want to build a 27-lot subdivision on the west side of Rte. 59, between Beach Grove and Grass Lake roads.

Wierschem said the group, known only as Flora Acres, satisfies the village requirements for lots of one acre or larger, but asked:

"What are they doing for the schools?"

Antioch High School and Emmons Grade School would be affected.

Wierschem said the plan commission is objecting at this time because the developers have not contacted the village regarding a contribution of land, or cash which would be used to buy land for parks and schools.

The trustees voted 6-0 to go along with Wierschem.

## All about town ...

By LINDA WALKER

Most of the shops in town are featuring semi-annual sales. Take advantage of some great buys by looking elsewhere in today's paper for more detailed ads.

**START WITH A NEW NAME**, add a completely remodeled showroom and you have Protronics TV Sales and Service.

Don Trumpulis and Jim Wolfarth are the same friendly guys who greeted you at Camp Lake TV and CB (highways SA and AH in the post office building).

Protronics are dealers for Curtis Mathes, the only television or stereo with a four-year, 100 percent warranty. However, they service all makes and models.

If you can't find them, let Don or Jim find you by calling them at (414) 889-4814.

**BILL PATTERSON HAS COMPLETED** some additional remodeling at BJ's Fashions for Men. They now have a large check-out counter which enables the sales staff to service all the customers faster.

The new decor goes beautifully with the rest of the store.

**BEAT THE HEAT** by stopping at Sally's Drive In (Rt.

83 and North Ave.) for a yogurt cone. You can also buy it by the pint in a variety of flavors. It's delicious!

**I'D LIKE TO REMIND** all our readers to take advantage of our classified offer. You don't pay us, until the ad pays off for you.

If you want to buy, sell or rent something ... hire help or whatever, simply call 395-5755, and we'll put your ad in our classified section for up to four weeks.

Call or bring in your ad for next Wednesday's paper.

## Jaycees raise money for youth programs

A spokesman for the Antioch Jaycees said this week:

Many thanks to the wonderful people in the community who helped support our youth programs by contributing during our Highway Hold-up '77 project.

Chairman Gary Klean said he feels the money raised will greatly assist the Jaycees' playground equipment program, Little League program, Cubs' trip program, and the Hugh O'Brien Leadership Seminar for youth.

The Jaycees have recognized several members who provided outstanding service to the community and the chapter during the past year.

**JAYCEE OF THE YEAR** - Bill Anderson.

**Keymen of the Year** - Wally Jaskowski and Bob Dubs.

**Outstanding First Year Jaycee** - Tim Mortensen.

**Outstanding Continuing Jaycee** - Bill Anderson.

**Projects of the Year** - Bill Groening (Maxwell St. Days), Wally Jaskowski (Las Vegas Night).

**Director of the Year** - Lou Korom. **Committee of the Year (Highway '76)** - Chairman Bill Anderson, Chuck Spillner, Chuck Balmes, Paul Kinas, Bob Dubs and Bill Groening.

**Past President Award** - Paul Kinas. **U.S. Jaycees Presidential Award of Leadership** - Bill Anderson.

**U.S. Jaycees Presidential Award of Achievement** - Bill Anderson.

"WE ARE IN THE PROCESS of doing a partial community survey using the telephone. If you wish to express your

opinions call me," said Chairman Wally Jaskowski, 395-2700.

The Jaycees also announced the addition to their membership roster of 10 young men concerned about community service:

Kevin Ano, Scott Fire, Don Jackson, Jerry Lindom, Mike Mahoney, Dave Wick, Jim Morgan, Jim Pierce, Ralph Dixon and Jay Bruski.

Persons wishing to find out more about the Jaycees or joining can call Bill Anderson, 356-5376, or Bill Groening, 395-2700.

"We also conduct informational sessions before our meetings: this month it will be at the Brauhaus around 7 p.m. on July 28," Groening said.

### COMING EVENTS:

September - Road Rally.

**CHALLENGE SOFTBALL** is a way of raising money for local charities.

"If you can get a team together, call me," said John Christiansen, 395-2490.

## Drive-in movies at Free Church

Drive-in movies have returned to Antioch. The Antioch Evangelical Free Church will be showing Christian films each Sunday evening through Aug. 14.

The movies begin at 8:45 p.m. in the parking lot, Tiffany Rd. and Highview Drive, and are shown on a large screen

on the sloping roof of the church.

"Noah's Ark" will be shown this Sunday. With a combination of theory and fact, it argues for the feasibility of the Biblical account long thought scientifically impossible.

The schedule continues July 24 with "All the King's Horses," the true story of marital break-up and reconciliation. On July 31, "Mindbenders" will portray life on today's high school campus; "Held for Ransom," set for Aug. 7, is the story of the dramatic kidnapping of a St. Paul, Minn. woman; and on Aug. 14 the series concludes with "Sound of the Trumpet," billed as a "refreshing, persuasive look at the coming return of Christ."

For more information, call the church at 395-4117.

### Distinctive

I think you will find that any Funeral Home a family selects today will provide the proper atmosphere for a meaningful Funeral Service. And because of state educational requirements, most personnel are qualified and competent. But sensitivity to the feelings of the bereaved family goes beyond atmosphere and competence. It calls for understanding, and it is in this area, I believe, that we have succeeded in serving our families in a way that makes each service distinctive and memorable.

## Professor finds U.S. differs from England

By LU BALOUN

This past year has been a study in contrasts for Frank Finney, a College of Lake County foreign exchange professor from Bath, England.

"The contrast between British and American societies spread down through every detail," Finney said.

"You fill forms out; we fill forms in. You have elevators; we have lifts. And we don't have trucks; we have lorries," Finney explained.

FINNEY, HIS WIFE ALISON and their youngest son, Alan, 13, arrived in the United States last August as part of a one-year international education exchange program.

The 49-year-old physics instructor moved into the home of his CLC counterpart, Toby Ward, of Gurnee. Meanwhile, Mr. and Mrs. Ward and their children spent the year living in the Finney house in England, with Ward taking over Finney's physics classes at the Bath Technical College.

PERHAPS THE FIRST MAJOR contrast between America and England that Finney noticed was a geographical factor.

"From my home town of Bath (105 miles southwest of London) a person can travel a little more than 100 miles and see extensive variegated scenery," he said. On the contrary, while traveling from Washington D.C. to his temporary home in

Illinois and then again from Illinois to a vacation in Florida, Finney noticed that in the United States, "the same scenery lasts a long time."

We hope to take a bash at the end of summer school and drive to Colorado where we will be able to see things like a desert, a geyser and the Grand Canyon - things we can't see in Europe."

"I KNOW YOU GET good engineers and good technologists as shown by all the gadgets they manage to fit on cars," Finney said. "What puzzles me about American education is where you get all your good engineers from since physics is such a minority subject here."

Finney feels that despite their gadgets, American cars are big, hefty, cumbersome and not really very clever. He said the English manage to build large cars, without large bodies, that have front-wheel drive, transverse engines, five-speed transmissions and mileage capabilities of at least 30 miles to a gallon of gas.

Finney, however, prefers bicycles to cars. In England, he rode his bike everyday to his classes, and while at CLC, he has frequently ridden a bike to work.

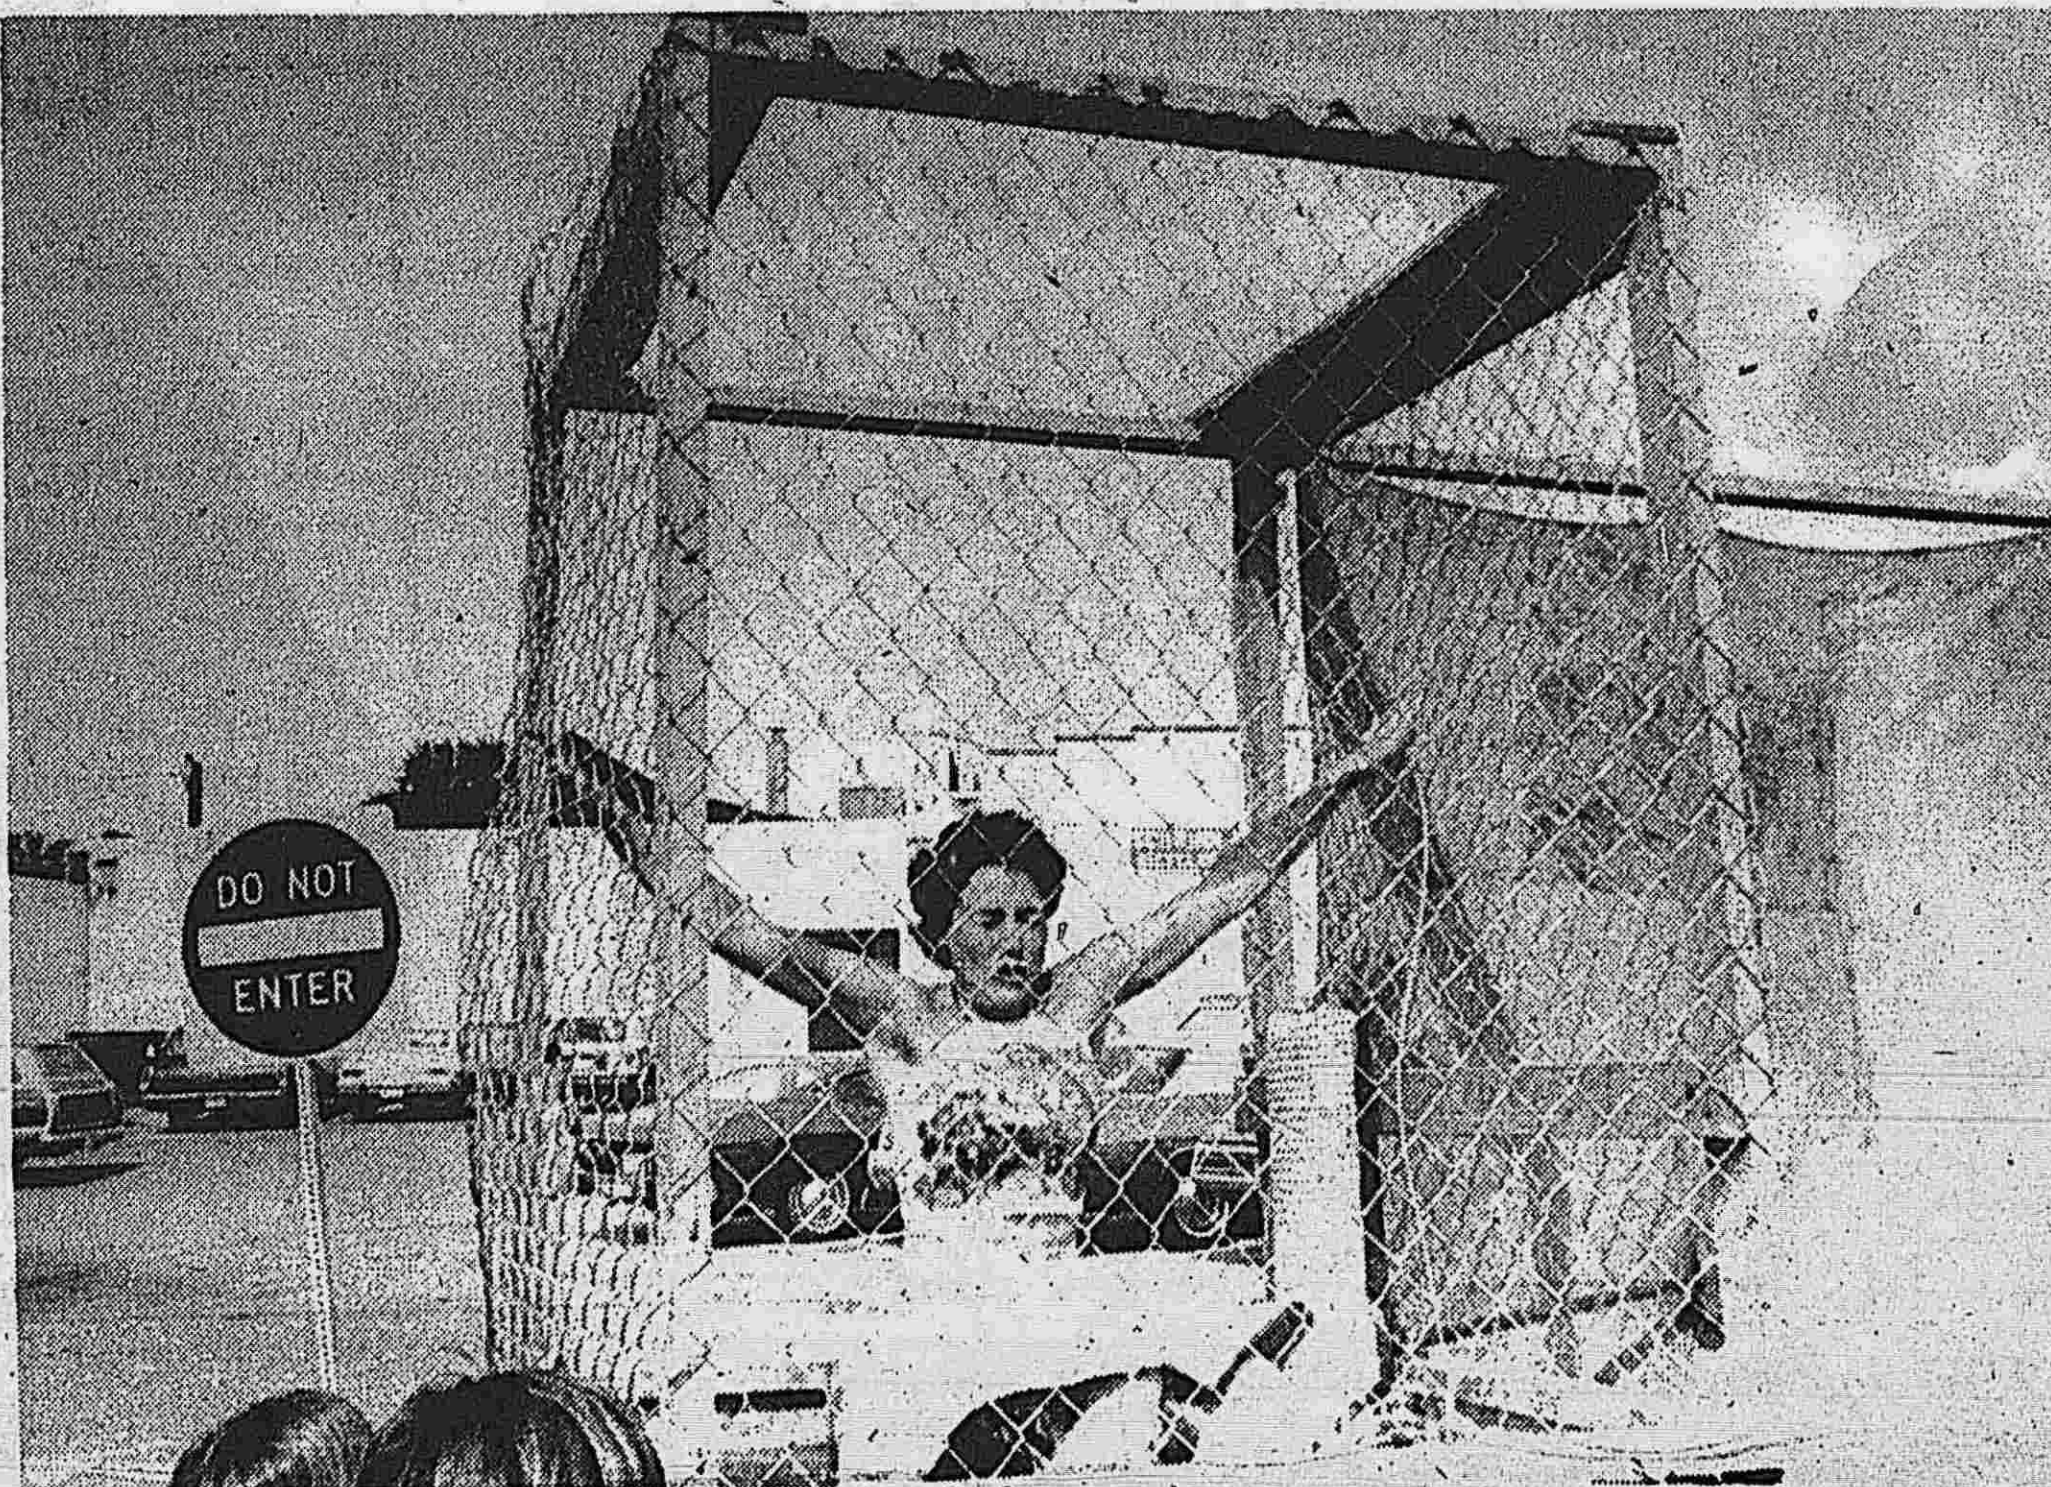

"I quite enjoy cycling," Finney said. "At home the trip to college is two miles, but the college is 400 feet lower in altitude than my house. I wake up on the way to work and get fit on my way home."

In contrast, Finney points out that the trip from Gurnee to the CLC campus is "dead-flat."

SO LOOK WHO DECIDES to dunk Sandi. Her brother, Mark Stewart pitches a bullseye as a huge crowd watches. Right behind Mark is Carl Amundsen, Little League pitching star, who dunked his friend, Sandi, about five times.

SPLASH ... GOES SANDI as her chair is knocked from under her. She and others who emerged soaking wet ignored the sign at the left, but proved they were among the community's best sports.

DIRECTOR TOM HAUSMAN

## PM&L fitting 'My Fair Lady' on tiny stage in Antioch

"My Fair Lady," that famous, tuneful and funny musical comedy, will be presented by PM&L Theatre on July 29, 30 and Aug. 5, 6, 12 and 13 at the theatre, 877 Main St., Antioch.

Curtain time is 8:30 p.m. for all performances.

"Many people are working hard and long to perfect this challenging production," said Director Tom Hausman, who has directed and acted in many PM&L plays.

Hausman, of Antioch, is drama director at Wilmot High School and has acted with the McHenry Country Club Players, The Abbey Players in Fontana, Wis., and other groups.

BETTY BEVEROTH FROM PADDOCK LAKE, Wis., is the musical director. A former music education major in college, she now is manager at Kenosha's Howard Johnson Motor Lodge.

Betty was in one of PM&L's first productions at 877 Main St., an original musical, "Nothing Ever Happens in This Town." She was the medium in "Blythe Spirit" and musical director for "Charlie Brown."

STAGE MANAGER ELMARIE BENO, from Wildwood,

a school teacher, is piling up many credits in that field, having been stage manager for "Pajama Game," "Carnival," "The Sunshine Boys," and assisting for "Fiddler on the Roof."

Veteran set constructors Hank Apostol and Bill Serшон of Antioch have the "giant task" of constructing the set for "My Fair Lady" on PM&L's tiny stage. "Inventiveness" is a "must."

Pat Serшон is in charge of decor or "dressing up" the set. She is also the poster designer.

Costumes for a cast of approximately 35 and many scene changes are in the hands of Kathy Hausman, Deane Jones and Dee Lewis.

Jeff Smouse and Bill Beno will hold forth in the light booth, and Aileen Biel is in charge of props. Betty Smouse and George Blanksten are doing publicity.

Ingrid Lindberg, Antioch, is pianist, and her sister Chris, a music student at Milikin University, will play flute.

Reservations can be made by calling 395-3055.

## Names in the NEWS

JACKSONVILLE - Laura Ann Kessler of Antioch has been named to the Mac Murray College Dean's List for the spring semester of the 1976-77 academic term. Of the 171 students qualifying for academic recognition, 76 earned

straight A averages.

Laura's parents are Mr. and Mrs. H. Richard Kessler.

ST. LOUIS - Washington University awarded degrees at its 116th commencement exercises.

Graduating from Antioch was Bonnie Bobzien, Doctor of Medicine.

## Tom Hevrdejs wins automotive event

Tom Hevrdejs, 17, son of Mr. and Mrs. Edward Hevrdejs, Antioch, won the the state 4-H Automotive Care and Safety Event held at the University of Illinois in Champaign.

During the event Hevrdejs identified a variety of automotive parts, conducted a safety and maintenance inspection on an automobile, took a written examination and demonstrated his driving skills.

The driving portion of the event consisted of straight-line driving, forward and backward serpentine driving, starting and stopping, and parallel parking.

Since getting his driver's license last summer Hevrdejs

has driven more than 15,000 miles, including a trip to Florida, without an accident. Before obtaining his license he participated in driver education at Antioch High School.

Hevrdejs has been enrolled in the 4-H automotive project for four year and considers working with cars as one of his hobbies.

Planning to attend college after completing high school, Hevrdejs is going to Japan this summer as a teen leader on the Illinois 4-H exchange program.

He will represent Illinois in national 4-H competition Sept. 22-24 in Omaha, Nebr.

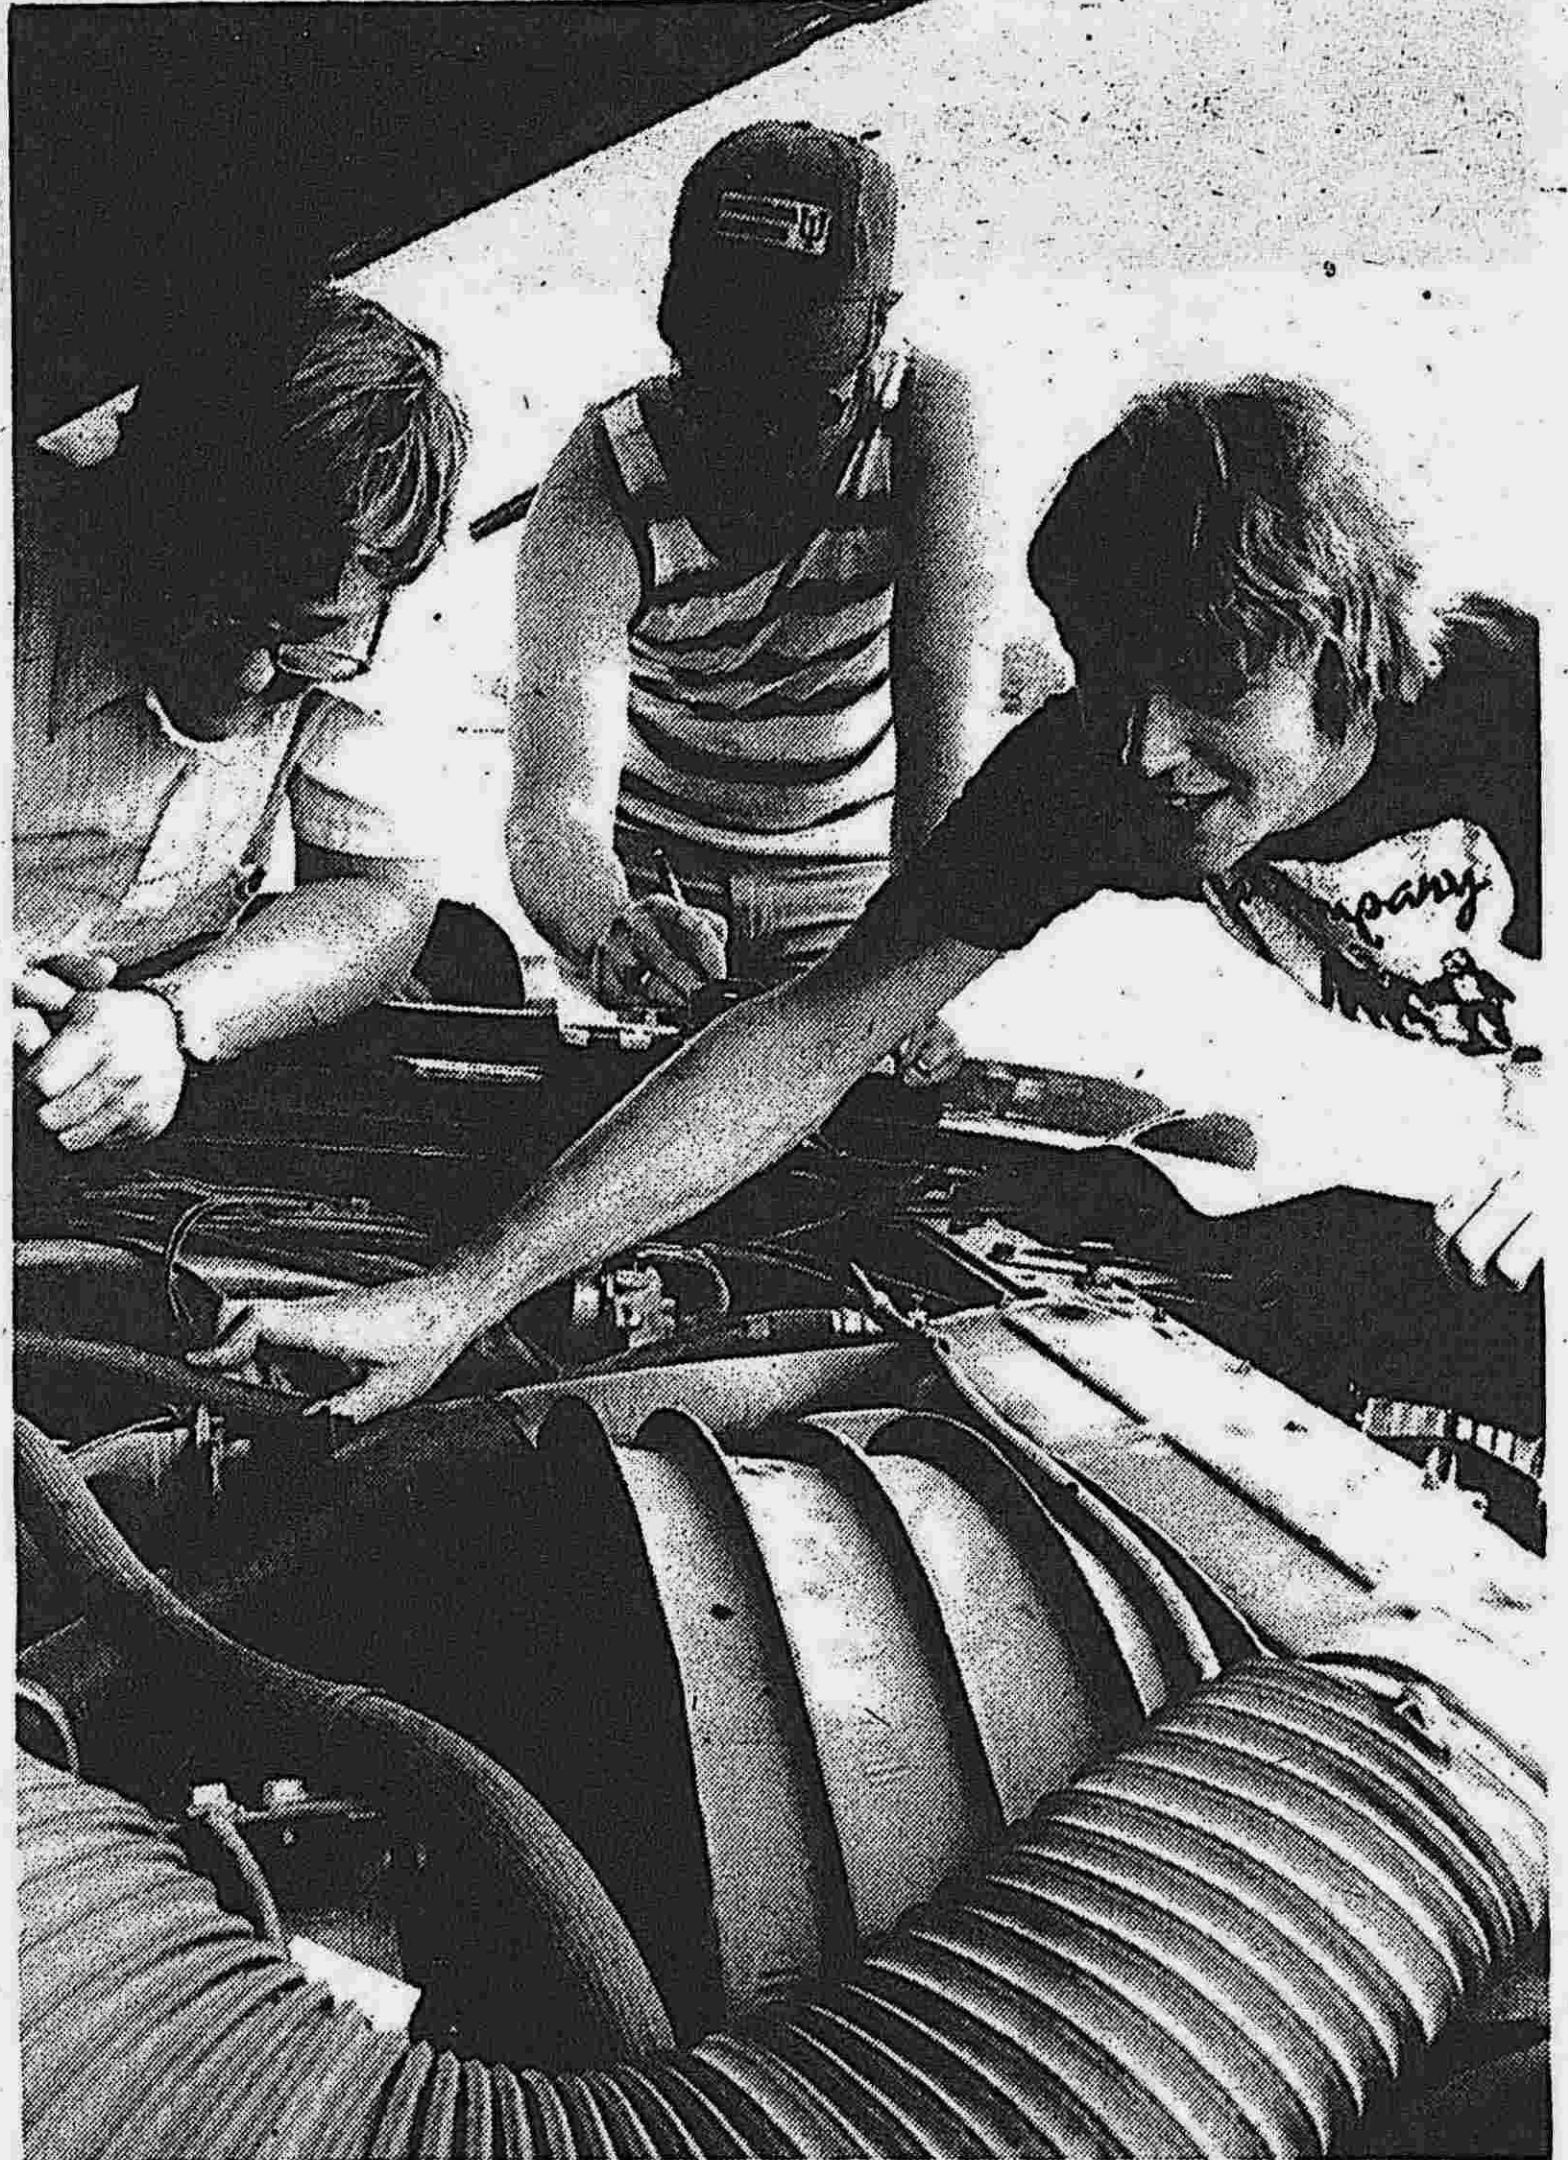

## Happenings

The Watchtower Bible Society has completed arrangements for a series of 109 conventions of Jehovah's Witnesses this summer.

David Mitchell, spokesman in Spring Grove, said the local congregation will send 150 representatives to Milwaukee, July 21-24. The meeting is scheduled for the County Stadium.

Mr. Mitchell said the program is divided into four parts: family life, productive work in a troubled society, emphasis on the Witnesses' house-to-house visitation program and impressions on coping with the problems affecting youth and adults.

LOCAL YOUTH WINS State 4-H Auto Event - Bradley Cash, Paris (left) and Tom Hevrdejs, Antioch (right), runner-up and winner of the Illinois 4-H Automotive Care and Safety Event, are checked out on automobile parts identification by Steve Newberry, University of Illinois graduate student engineering.

## Supernaturalism

By DONALD COLE

What is supernaturalism? The dictionary defines it as any doctrine "that asserts the control and guidance of men and nature by an invisible power or powers." This would include the miraculous, which is usually defined as "the direct intervention of a supernatural (esp. divine) agency." In other words, nature is not all there is in the universe, and its laws are neither inexorable nor inflexible.

Many scientists object to this; it offends them deeply, chiefly, one suspects, because they are products of an educational system deeply committed to anti-supernaturalism. From the beginning of modern science (in the 19th century) to the present scarcely a century has passed. Yet in that period, as Prof. Bernard Ramm puts it, "great and honored universities, hundreds of important theological seminaries, and thousands of ministers capitulated to the 'modern mentality.' It seems," he continues, "as if there were a willfully plotted effort for every conceivable department of human knowledge to rise up and denounce biblical supernaturalism."

What are the implications of this allegedly scientific mentality? Ramm lists a few. First, man is a mere accident of natural processes. Second, moral, ethical, and aesthetic maxims

are regarded as personal preferences. The term "values" is preferred to "morals," and one's values are said to be the product of social engineering rather than a God-given conscience. Third, God our Father is replaced by Mother Nature. Finally, belief in God is permissible provided it is not fervent, and, of course evangelism is unacceptable.

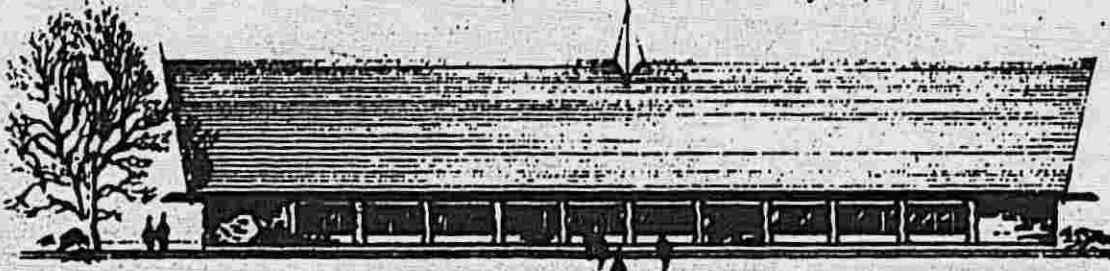

It will be readily seen that these notions are inherent in three major beliefs of the age, namely atheism, materialism, and secularism. Individually or taken together, these beliefs really say the same thing—that God is unnecessary. This is the "modern mentality," this is the philosophy to which an increasing number of civilized people subscribe. Naturally, they reject the Bible—which not only assumes the existence of God, it also asserts man's dependence on God. Furthermore, it pronounces a judgment on man at the very moment he boasts of his independence. "The fool," the Bible says, "has said in his heart, 'There is no God.'"

If the Bible is true, as I believe it to be, the very God whose existence puny men deny will demand an accounting. As Paul says, "He has fixed a day in which He will judge the world in righteousness through a Man (i.e. Jesus Christ) whom He has appointed..."

## Mosquito control program aims to prevent breeding

The second phase of Antioch's mosquito control program has been started, according to the Clarke Outdoor Spraying Company of Roselle.

During the first phase, a survey of all breeding sites was charted and the first larvicide application to all designated breeding areas was made by helicopter.

Monitoring of local rainfall and temperature was started and the "light trap network" began operating three nights a week.

The "Mosquito Hot-Line" went into operation during the first phase with any questions relative to mosquito and other pest control answered by calling the Clarke toll-free number (800) 942-2555.

AS PART OF THE second phase, inspection of breeding areas has started and the second larvicide treatment by helicopter is underway. This will be followed by an emulsion treatment of open street catchbasins and culverts to prevent breeding of disease vector mosquitoes.

"The well-planned mosquito control program has quickly become an exact, sophisticated science, a Clarke spokesman said. "Larviciding controls the stage of the mosquito called the larvae or wiggler which lives in the water. The use of helicopters in this phase is most effective. However, no larval control program will eliminate 100 percent of the larvae. Those larvae which escape from treated areas to become flying adults, or those flying in from outlying areas can bite people and transmit disease. Larviciding must be supplemented with an adulticiding program."

THE NEWEST METHOD of adulticiding used by Clarke is the ultra low volume (ULV) technique. The truck mounted ULV sprayer forces a "jet blast" of air through a special nozzle that shatters the insecticide into a mist consisting of microscopic particles. The small particle size allows the ULV mist to drift and penetrate dense vegetation.

The Clarke Company maintains a citizen response system called "Mosquito Hot-Line", answering any questions relative to mosquito control. Toll-free calls to 800-942-2555 should bring answers to any "pesty questions."

According to one word wit, in the world of fashion, timeless is anything that lasts longer than one season.

THE LOCAL MOSQUITO control program eliminates breeding of the *Culex pipiens* mosquito, the known vector of St. Louis Encephalitis. This application is made to open street catchbasins.

## Newcomers urged to register

New residents of the Antioch High School District, who will be entering the high school for the next term, are being urged to come to the school to register as soon as possible. "Late registrants will suffer limitation of course selection," said E. L. Kurek, director of curriculum and guidance.

## Antioch swimmers place 3rd

The Antioch swim team edged Lake Forest for a third place in the North Suburban swimming conference championship relays at Lake Forest last Saturday.

There was a tight battle for first place with Brentwood from Waukegan coming out on top. The point totals were Brentwood 306, Plum Grove 304, Antioch 224, Lake Forest 220, Lincolnshire 130 and Tennaqua 86.

OF THE 30 RELAY events, Antioch managed to capture only three first places. Two of those firsts were taken by the same girls. Sheryl Harrison, Karen Shepard, Trina Spietz and Carol Berry made up a relay team that won not only the 200-meter freestyle but also the 200-meter backstroke.

The victory in the backstroke marked the eighth year in a row that Carol Berry's team has won first place, starting

back in 1969 when she was an "8 year and under" swimmer.

A team of Antioch boys accounted for the other first place as Ted Bessette, John Bellucci, Keith Latz and Greg Shepard won the 200-meter breaststroke relay for boys 14 and under.

THOUGH THEY TOOK ONLY three firsts, Antioch swimmers had five second and seven third places.

The important second-place finishes were won by the 14 and 16-year-old girls and boys.

Coach Marty Berry was short of swimmers in the 11-12 boys age group and credited 10-year-old Rob Smith for moving up and helping form a relay team.

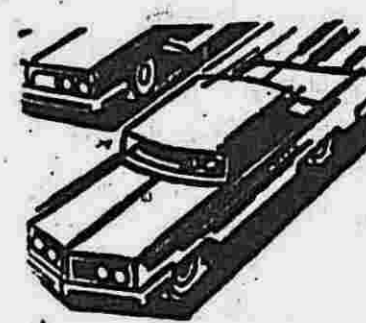

This week Antioch will travel to Lake Forest and Tennaqua for dual meets in preparation for the conference championships at Plum Grove on July 23.

## Driver's reward: trophy from bikini contest winner

Lake Geneva, Wis. - Larry Hicks of Lake Geneva won the first annual July 50-lap championship race for late models here last Saturday. In a virtually accident free race that saw only two yellow flags for spin-outs, Hicks came from the rear of the pack to hold second until the 36th lap when he overtook Roy Acuff, who ended up second.

Hicks was presented the championship trophy by Dandra Goedert, winner, and Bonnie DeWilde, runnerup, in the Lake Geneva Raceway bikini contest.

George Wayrauch won the 20-lap feature for spectators. The race was stopped in the 15th lap when Mark Schneider, who was running second, lost control coming out of a turn, skidded and

flipped over in the backstretch. Schneider was unhurt, and the race was restarted in the 15th lap. Bob Price of Chicago took second.

IN A VERY CLEAN 25-lap feature, Jerry Straube of Waterford took first place in the 5th lap and held off the challenge of Larry Leach of Elkhorn to win by half a car length.

Leach took second and Dan Hagi of Lake Villa took third. Both Straube and Leach did some fine driving through traffic to hold their positions.

## Personal to Foremost Crap-shooters from Triple A Bull-shooters

We would be happy to shoot our A.T.A. handicap yardage against your trap team simply

because we have not shot any closer than 25 yards in the last 6 years and to shoot at 16 yards would severely lower our team's moral.

It has reached our attention through the grapevine that there is much dissension on your team and that some of your shooters suffer a rare disease called Coldfootitis.

Taking this into consideration, my team and I unanimously agreed to let the Foremost fiddle-fingered beginners shoot at their normal handicap yardage of 16 yards. We do, however, wish to shoot first so we do not have tears in our eyes from laughing at DiLabio's Deadeyes when they shoot.

**PITCHING STARS** of recent Antioch Little League games were Carl Amundsen (above) and Frank Mahar (below). Amundsen of the Cardinals pitched a one-hitter, giving up only an infield single, as his team beat the Cubs 7-0 last week. Mahar of the Cubs fired one of the few no-hitters in local Little League history as his team routed last year's champs, the Giants, 11-1. Frank's twin brother, John Mahar, is his catcher.

## Orioles win first game of Little League series

The Roland's Bakery Orioles scored an 11-9 extra-inning victory over the State Bank Tigers Monday night in the first game of Antioch's Little League playoffs.

The best-of-three series will be resumed Thursday and, if necessary, completed on Friday.

During the regular season the Orioles topped their

division with a 9-4-1 record and the Tigers were 11-3 in their loop.

In a round-robin tournament game for the other teams, the Astros beat the Yankees 3-2.

## Sports Shorts

The Spring Valley Swingers golfed July 5 and low gross was won by Jean Daniel of Antioch.

Low net was won by Dee Finley of Round Lake Park.

## McQuinn wins state wrestling title

Fox Lake's Bob McQuinn won the Illinois Wrestling Federation's state freestyle championship held at Bolingbrook high school last Saturday.

Bob, a former Grant high school wrestler, defeated Barrington's Bob Moore in the 154 lb. finals 6-2.

McQuinn now qualifies to wrestle in the United States Wrestling Federation's national championships to be held at the

University of Iowa, July 25-27.

**OTHER AREA WRESTLERS** who qualified and competed in the state championships included Buddy Manusos, Lake Villa, 106; John Kakacek, Antioch 143; and Jeff Jenkins, Lake Villa, 154.

The Illinois Wrestling Federation will hold its Greco-Roman championship at East Leyden high school Saturday.

## Waukegan Speedway full of excitement

The late model sportsman division was full of excitement Saturday at Waukegan Speedway as close racing and a roll-over spiced the evening.

Dan Hagi of Antioch was the big winner as he set fast time and won the 25-lap feature. Hagi's bid for a clean sweep was halted when Chuck Clark won the fast heat event.

The feature was extremely close as Jerry Straube and Don Collins kept right on Hagi's bumper. Straube and Collins each tried the outside groove on occasions to try and get around Hagi but to no avail.

At the finish it was Hagi over Straube by a half a car length.

Chuck Clark also won the trophy dash and Dennis Roslansky won the other heat. In the heat that Roslansky won, Frank Teresi put his Cheveller on its roof in turn 2 of the 2nd lap of the event. Gene McGaughey was also involved, but neither driver was hurt.

IN LATE MODEL super stock racing on Sunday night George Dukas won his first 30-lap feature of the season.

## Ruth Pickus' putting highlights golf league

Neither rain nor heat stops the State Bank of Antioch Women's Golf League, as exhibited by the 13 putts turned in by Ruth Pickus.

Standings for the season thus far are as follows:

A Flight - Louise Santino 9½ points, Joan Casey 9, Angie Maras 6½, Delores Scarpelli and Ginny Cornelius 6, Eileen Zannini 4½, Pearl Fowles, Irene Teresi and Lorraine Hitchon 4, Nancy Berchtold 2½ and Ruth Sarver and Char Schmerbach 2.

Flight B - Rose Reich 8, Betty Mentone and Bev Reckers 7, Henrietta Albergo 6, Marge ReCupido, Liz Knourek and Trudy Anderson 5, Dorothy Teister, Louise Vos and Kay Costoff 4½, and Caroline Costoff 3½.

Flight C - Kathryn Hanley, Lorraine Severson and Ruth Pickus 6, Irene Hahn, Esther Jacobson and Frances LaPlant 5, Annette Lubkeman 4½, Marge Solar, Kathy Cirone, Sue Garland and Barb Tobias 4, and Ann Dziki 2½.

Flight D - Irene Williams 10, Shirley Carlson 6½, Anne St. Pierre, Barb Eberman and Jan Hagstrom 6, Etta Bergl 5½, Mary Hallett 5, Mary Carney and Alvera Morgan 4½, and Jean DeBoer, Delores Abderholden, and Nancy Mancuso 2.

## ABC's of Travel

Domestic and International

By BARB CORBIN

Note:

All carriers have amended the domestic baggage liability rules to increase the maximum liability for loss, damage or delay in delivery of the passenger's baggage for travel within the U.S. from \$500 to \$750 per person.

Many people who just travel once in a while are not aware of this and request extra baggage coverage insurance. This is not necessary unless they are carrying expensive camera equipment, jewelry, etc. then they are, as a rule, covered on the home-owners policy if they have a floaters clause.

This is something everyone can check out prior to his or her travels with the insurance firm they are covered under.

Happy travels.

## Along the way with ANNIE MAE

Looking over the entries for the State Bank of Antioch's youth tennis tournament, we find that about twice as many boys have entered as compared to girls.

The deadline is Saturday so, c'mon you gals, don't be bashful. Win or lose, the tournament will be lots of fun and we figure Antioch has a lot of future Chris Everts.

Billie Jean King showed Bobby Riggs, didn't she? Don't be shy, girls ... get over to the State Bank and enter. Be sure to read the story which begins on page 1.

WE HAD A PLEASANT surprise Monday when we met Lloyd Pedersen at the bank.

The talented singing star from Antioch was home for a day or two before he resumes his show at a yachting club in Minneapolis.

Last year Lloyd appeared at the Marriott Lincolnshire but he isn't sure when he'll be performing in this area again. Since the last time he entertained in these parts, Lloyd has added some new talent to his show. Can't wait to see him again.

SUNDAY WILL BE THE first wedding anniversary of Jeff Gulowski and the former Kathy Anderson.

Remember last July 17 when they came out of St. Peter's church, newly married, and were surprised by their friends who drove them over to the reception in a horse and buggy?

And we were wrong last week when we wished our lovely friend, Julie Gutowski, a happy birthday on July 8. Julie's birthday was this Tuesday, the 12th. She was 19. (I almost remember when I was 19.)

Sunday, July 17, is Bill Herbst's birthday. The principal of Antioch's Upper Grade School was 19 once, too. (We have it on the best authority.)

Two other popular Antioch people will be celebrating birthdays within the next week: Ted Poulos on Friday the 15th and Ray Toft next Tuesday, the 19th.

Jason Eric Pederson celebrated his first birthday on Sunday, July 10, and Jayme Joy Leonhart was one-year-old on July 7.

ALSO, EARLIER THIS MONTH, Kent Ipsen had his first birthday. Remember how proud Brad and Ellen were a year ago? Not to mention Grandpa Lee Ipsen and Grandma Gert.

Speaking of birthdays, Vince Patla gets another year

younger next Tuesday, July 19. Wonder how Vince does it, always looking happy and cordial. The owner of Antioch's Brave Bull restaurant is quite a guy.

FOUR RECENT VISITORS to Antioch were so impressed with our community that they'd like to have summer homes here.

Mr. and Mrs. Paul L. Chase had as guests from Dreamland Villa, Ariz., the Roy Huffmans and the Charles Johnsons. The visitors were surprised at the activities and business in Antioch and thought they might like to be here in the summer. The Chases wintered in Arizona for a number of years.

MR. MARVIN'S "Grand Opening" winners were:

First Prize: blow dryer, Mr. Ed (Pauline) Mack, Spring Grove; 2nd Prize: \$15 Gift Certificate, Mrs. Laura Stewart, 434 Fillweber Street, Antioch; 3rd Prize: plant, Margaret Betschel, Rt. 2, Antioch. (See picture on page 6.)

## OBITUARIES

### Alice Horton

Mrs. Alice M. Horton, 83, of Antioch, passed away Saturday, July 9, at the Woodstock Center in Kenosha. She was born Mar. 10, 1894 in Chicago. She moved to Bristol in 1936 and then to Antioch in 1940.

She was a member of St. Peter's Church in Antioch. She had worked at Barnstables Dept. Store, Regal China Co. and Gefco Manufacturing in Antioch for several years and also worked at Abbott Laboratory in Waukegan.

Mrs. Horton was a graduate of the Chicago Conservatory of Music.

Survivors are two sons, Roger (Arlene) Horton of Wilmet and James (Ruby) Horton of Antioch; 9 grandchildren and 12 great grandchildren. She was preceded in death by her husband, William, one son and one grandchild.

Funeral Mass was held Tuesday at St. Peter's Church. Interment was in Mt. Carmel Cemetery, Antioch. Arrangements were made by Strang Funeral Home, Antioch. Contributions may be made to the Antioch Rescue Squad.

### Arthur Owens

Arthur J. Owens Sr., 60, of Rock Lake Highlands Subdivision near Trevor, Wis., passed away on Friday, July 1 at Resurrection Hospital in Chicago.

He was born Dec. 11, 1916 in Chicago, the son of the late Joseph J. and Agnes C. Ossowski. He resided in Chicago until moving to Trevor in 1973 but had spent his summers here since 1971.

Mr. Owens is a member of St. Peters Church and a former member of the Newspaper Guild. He had been employed for several years as a press photographer by the Chicago Sun Times. He married Catherine Haley on Sept. 7, 1940 in Chicago.

Survivors include his wife Catherine, two sons, Arthur (Kathy) of Addison, Joe (at home), four daughters, Mrs. Cathie (Richard) Bock of Wildwood, Miss Jackie Owens of Des Plaines, Mary and Beth still at home, and three grandchildren, Nancy, Michael and Jennifer.

A funeral mass was held July 5 at St. Peters Church in Antioch. Interment was in Mount Carmel Cemetery at Antioch. Friends called at the Strang Funeral Home in Antioch on Monday. Memorial may be made to the Antioch or Trevor Rescue Squad in memory of Mr. Owens.

### Dorothy Nickoley

Mrs. Dorothy A. Nickoley, 69, of Waukegan, passed away Thursday, July 7, at Victory Memorial Hospital. She was born Oct. 27, 1907 in Antioch and has lived in Waukegan since 1935.

She was a member of the 1st Presbyterian Church of Waukegan and had worked in the ESO Bldg. at Great Lakes for 20 years. She was the former Dorothy Anderson and she married Frank Nickoley on June 28, 1930 in Waukegan.

Survivors include her husband Frank; one son, Paul (Dorothy) Nickoley of Georgia; 1 brother, William (Ines) Anderson of Detroit; one sister, Mrs. Martha Juhl of Antioch and 3 grandchildren.

Funeral services were held Monday at the Strang Funeral Home in Antioch. The Rev. R. Norman Herbert of the 1st Presbyterian Church of Waukegan officiated. Interment was in Hillside Cemetery. Contributions may be made to the Heart Fund in her memory.

### Lowell Smock

Lowell F. Smock of Rt. 1, Box 4-D, Trevor, Wis., passed away last Thursday, July 7, at Burlington Memorial Hospital.

Mr. Smock was born in Edgewood, Ia., on Nov. 13, 1913. His parents were Homer Smock and Aurilla Fishel.

Mr. Smock's early life was spent in Iowa. He was married May 7, 1946, in Antioch to Gertrude Horton. He is survived by his wife, and also by two sons, three daughters and 11 grandchildren.

Mr. Smock was an excavating contractor and in the past year a farmer. He had been a resident of Trevor for the past 17 years.

He served with the U.S. Marines in World War II. Funeral services were held last Saturday, July 9, at 11 a.m. from Schuette-Daniels funeral home, Burlington, Wis. Officiating was Rev. Arthur North. Burial was in Burlington cemetery.

## Names in the NEWS

Brenda J. Hoffman of Rt. 1, Box 504, Antioch, was among University of Wisconsin-Whitewater students who achieved academic honors during the second semester of the 1976-77 school year.

## Happenings

RESULTS OF the water fights held Sunday evening during the Chamber of Commerce "All-American Festival" were:

Vernon, Ill., first; Somers, Wis., second; Trevor, Wis., third; and Fox Lake, Fourth.

The firemen from Vernon picked up their third trophy of the day. They had won earlier water fight contests in Bristol and Winthrop Harbor.

Antioch's firemen, as hosts, didn't compete here Sunday.

## Happenings

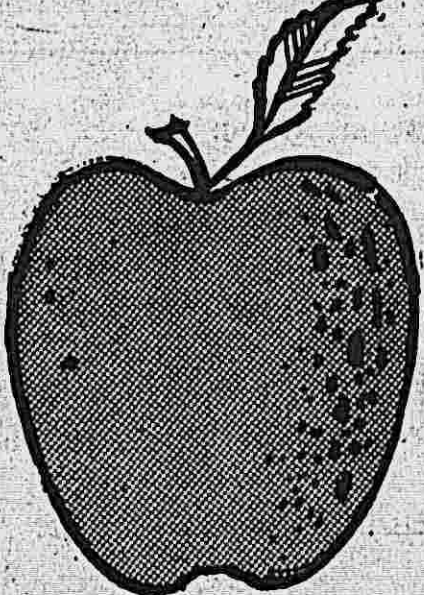

The Antioch Chamber of Commerce and Industry is sponsoring a Farmers' Market in Antioch every Wednesday, beginning July 20, until Oct. 26, from 9 a.m. till 2 p.m.

The market will be at the State Bank parking lot, Lake & Spafford streets.

Carrots should be in good supply at the first market, July 20. Carrots are said to have come to the United States from their native England. Illinois ranks 13th among the 50 states in the production of carrots.

"Select tender, mild-flavored carrots. Remove tops, wash and peel. Leave small carrots whole. Cut others into quarter-inch cubes, thin slices, or lengthwise strips. Carrots can be successfully frozen for future use," said Christine Pionke, Chamber secretary.
